Report on review of condensed interim financial information

To the Shareholders of Phnom Penh Water Supply Authority

Introduction

We have reviewed the accompanying interim statement of financial position of Phnom Penh Water Supply Authority as at 31 December 2013, the related interim statements of comprehensive income for the three-month period and the year ended 31 December 2013, and the related interim statements of changes in equity and cash flows for the year then ended. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with Cambodian International Accounting Standard 34, 'Interim financial reporting'. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of review

We conducted our review in accordance with the Cambodian International Standard on Review Engagements 2410, 'Review of interim financial information performed by the independent auditor of the entity'. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Cambodian International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with Cambodian International Accounting Standard 34, 'Interim financial reporting'.

The accompanying notes on pages 7 to 19 are an integral part of this condensed interim financial information.

PHNOM PENH WATER SUPPLY AUTHORITY

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE QUARTER ENDED 31 DECEMBER 2013

1. GENERAL INFORMATION

The Phnom Penh Water Supply Authority (PPWSA) is under the technical supervision of the Ministry of Industry, Mines and Energy (MIME) and the financial supervision of the Ministry of Economy and Finance (MoEF), and has its headquarter in Phnom Penh. The PPWSA is acknowledged as having the economic characteristics of a public enterprise by the Ministry of Commerce under the registration number Co.0839 Et/2012, dated 27 March 2012.

The mission of the PPWSA is to process and distribute water for general use by the public in the city of Phnom Penh. The objectives of the PPWSA are to:

- invest in, build, enlarge, operate, repair and maintain the means of water sanitation and distribution
- manage devices to increase water production, and improve services and water quality to meet demand
- operate the business, services and related duties for water supply in accordance with the Board of Director's resolutions and the law of Cambodia
- cooperate with local and external development partners on technology, trade and finance in order to improve and develop the PPWSA in accordance with government policy, and
- ensure sustainable production processes, business and finance for the public interest.

In order to fulfil this mission, PPWSA is allowed to carry out its operational activities on the property, plant and equipment as well as necessary commercial and financial operations, such as:

- the production and overall distribution of water within the city of Phnom Penh and its suburbs
- the expansion, improvement and renovation of the production systems and distribution networks, and
- doing business with existing and future water distribution networks.

The registered office of PPWSA is Office 45, Street 106, Sangkat Srah Chork, Khan Daun Penh, Phnom Penh, the Kingdom of Cambodia.

This condensed interim financial information was approved for issue by the Board of Directors on 3 March 2014.

The condensed interim financial information for the year ended 31 December 2013 has been reviewed, but not audited.

PHNOM PENH WATER SUPPLY AUTHORITY

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE QUARTER ENDED 31 DECEMBER 2013

2. BASIS OF PREPARATION

This condensed interim financial information for the quarter ended 31 December 2013 has been prepared in accordance with Cambodian International Accounting Standard 34 - Interim financial reporting (CIAS 34). The condensed interim financial information should be read in conjunction with the annual financial statements for the year ended 31 December 2012, which have been prepared in accordance with Cambodian International Financial Reporting Standards ('CIFRSs'). The significant accounting policies used in preparing the condensed interim financial information are consistent with the significant accounting policies used in the preparation of the 2012 audited financial statements.

3. ACCOUNTING POLICIES

- (a) New standards and amendments to existing standards issued that are effective from 1 January 2013 adopted by the PPWSA:

The PPWSA adopted all applicable CIFRS standards, amendments, and interpretations to the extent that they are effective for the financial statements for the financial year beginning on 1 January 2013. There are no standards, amendments, or interpretations that have a significant impact on the PPWSA, except for the following:

- Amendment to CIAS 1 – 'Financial statement presentation' regarding other comprehensive income. The main change resulting from these amendments is a requirement for entities to group items presented in 'other comprehensive income' (OCI) on the basis of whether they are potentially reclassifiable to profit or loss subsequently (reclassification adjustments).
- Amendment to CIAS 16 - Property, Plant and Equipment: The amendment makes clear that spare parts and servicing equipment are classified as property, plant and equipment, rather than inventory, when they meet the definition of property, plant and equipment.

The previous wording of CIAS 16 indicated that servicing equipment should be classified as inventory, even if it was used for more than one period. Following the amendment, this equipment, if used for more than one period, is classified as property, plant and equipment. Early adoption is permitted. Accordingly, there is no impact from the adoption of this standard on the interim financial information.

- Amendment to CIAS 34 - Interim Financial Reporting: The amendment clarifies the disclosure requirements for segment assets and liabilities in interim financial statements. The amendment brings CIAS 34 into line with the requirements of CIFRS 8 - Operating Segments. A measure of total assets and liabilities is required for an operating segment in the interim financial statements if such information is regularly provided to the chief operating decision-maker and there has been a material change in those measures since the last annual financial statements. There is no impact from the adoption of this standard on the interim financial information.

PHNOM PENH WATER SUPPLY AUTHORITY

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE QUARTER ENDED 31 DECEMBER 2013

3. ACCOUNTING POLICIES (continued)

- (a) New standards and amendments to existing standards issued that are effective from 1 January 2013 adopted by the PPWSA (continued)
- CIAS 19 - Employee Benefits was eliminated the option to choose a policy for actuarial gain and loss recognition and to recognise all actuarial gains and losses in other comprehensive income (OCI) as they occur; to immediately recognise all past service costs; and to replace interest cost and expected return on plan assets with a net interest amount that is calculated by applying the discount rate to the net defined benefit liability.
 - CIFRS 13 - Fair Value Measurement aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across CIFRS. The requirements do not extend the use of fair value accounting, but provide guidance on how it should be applied where its use is already required or permitted by other standards within CIFRS. There is no impact from the adoption of this standard on the interim financial information.
- (b) New standards, amendments and interpretations issued and effective for years beginning on or after 1 January 2014 but not yet early adopted by the PPWSA:
- Amendment to CIAS 32 - Financial Instruments: Presentation, regarding asset and liability offsetting: This is an amendment to the application guidance in IAS 32 - Financial Instruments: Presentation, and clarifies some of the requirements for offsetting financial assets and financial liabilities in the statement of financial position. This amendment is effective for the accounting period beginning on 1 January 2014. Management is currently assessing the impact of the adoption of this standard on the financial statements.
 - CIFRS 9 - Financial Instruments addresses the classification, measurement and recognition of financial assets and financial liabilities. CIFRS 9 was issued in November 2009 and October 2010. It replaces the parts of CIAS 39 Financial Instruments: Recognition and Measurement that relate to the classification and measurement of financial instruments. CIFRS 9 requires financial assets to be classified into two measurement categories: those measured at fair value and those measured at amortised cost. The determination of the applicable category is made at initial recognition. The classification depends on the entity's business model for managing its financial instruments and the contractual cash flow characteristics of the instrument. For financial liabilities, the standard retains most of the CIAS 39 requirements. The main change is that, in cases where the fair value option is taken for financial liabilities, the part of a change to the fair value due to an entity's own credit risk is recorded in other comprehensive income, rather than the income statement, unless this creates an accounting mismatch. The PPWSA has not assessed CIFRS 9's full impact and intends to adopt CIFRS 9 no later than the accounting period beginning on 1 January 2015.

PHNOM PENH WATER SUPPLY AUTHORITY

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UNAUDITED) FOR THE QUARTER ENDED 31 DECEMBER 2013

4. MANAGEMENT ESTIMATES

The preparation of condensed interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this condensed interim financial information, the significant judgements made by management in applying the PPWSA's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 31 December 2012.

5. FINANCIAL RISK MANAGEMENT

5.1 Financial risk factors

The PPWSA's activities expose it to a variety of financial risks: market risk (including interest rate risk and foreign exchange risk), credit risk and liquidity risk.

The interim condensed financial information does not include all the financial risk management information and disclosures required in the annual financial statements, and it should be read in conjunction with the PPWSA's annual financial statements as at 31 December 2012.

There have been no significant changes in risk management or risk management policies since year end.

5.2 Liquidity risk

There has been no material change in the contractual undiscounted cash outflows for financial liabilities since year end.

6. OPERATING SEGMENT INFORMATION

The PPWSA treats water for supply to residents in Phnom Penh and surrounding areas. To support its water distribution business, it needs to provide water metre connection as a supporting service. Revenue from water metre connection (a supporting service for water sales) accounts for less than 10% of the total revenue, while water sales account for approximately 89% of the total revenue of the PPWSA.

The PPWSA has one reportable segment, namely, water sales. The chief operating decision-maker (the management team) reviews the internal management report, which reports the performance of the water sales segment as a whole, to assess performance and allocate resources. The chief operating decision-maker assesses the performance of the reportable segment by measuring gross revenue, profit before tax and net profit compared to prior periods.

All revenues are derived from external customers. The PPWSA is domiciled in Phnom Penh and all water sales originate from Phnom Penh and the surrounding areas.

	(Reviewed but unaudited)	(Audited)
As at 1 January	(893,817)	(437,665)
Current income tax	(3,161,853)	(7,113,295)
Payments made during the year	<u>6,811,375</u>	<u>6,657,143</u>
	<u>2,755,705</u>	<u>(893,817)</u>

Payments of income tax are made for tax on profit for the year ended 31 December 2012 and other taxes.

Income tax receivable mainly represents overpayments of tax to the General Department of Taxation (GDT) in which the PPWSA is in the process offsetting taxes that are already verified by the GDT following its audit covering the financial years up to 2009. Management believes that the PPWSA will be able to refund or offset these taxes in the future.

9. SHORT-TERM INVESTMENTS

These represent fixed deposits placed with financial institutions for a period of between four and twelve months and earn interest at ranging from 4.00% to 5.00% per annum.

The short-term investments include deposits amounting to KHR16 billion set up specifically for the purpose of paying retirement benefits to retirees who are entitled to retirement benefits under the pension scheme.

10. RETIREMENT BENEFIT OBLIGATION

The amounts recognised in the statement of financial position were as follows:

16. EARNINGS PER SHARE

i) Basic earnings per share

Basic earnings per share are calculated by dividing the profit attributable to equity holders of the PPWSA by the weighted average number of ordinary shares in issue during the period.

	Three-month period ended		Year ended	
	31	31	31	31
	December	December	December	December
	2013	2012	2013	2012
	(Reviewed but unaudited)	(Reviewed but unaudited)	(Reviewed but unaudited)	(Audited)
Profit attributable to shareholders (KHR'000)	7,479,959	8,986,534	38,088,029	34,420,961
Weighted average number of shares	86,973,162	86,973,162	86,973,162	83,123,530
Basic earnings per share (KHR)	<u>86.00</u>	<u>103.33</u>	<u>437.93</u>	<u>414.09</u>

ii) Diluted earnings per share

Diluted earnings per share are calculated by adjusting the weighted average number of ordinary shares outstanding to assume conversion of all dilutive potential ordinary shares. The PPWSA had no dilutive potential ordinary shares as at the period ends. As such, the diluted earnings per share were equivalent to the basic earnings per share.
