Ref: Explanation of profit on the separate financial
statements Q4.2024.

Thanh Hoa, January 24th, 2025

To: State Securities Commission
Hanoi Stock Exchange

Bim Son Cement Joint Stock Company would like to explain the fluctuation of profit in the separate financial report for the fourth of 2024 as follows:

The net profit after-tax of Bim Son Cement Joint Stock Company in Q4.2024 was positive 46,95 billion VND, an increase 161,56 billion VND compared to the fourth quarter of 2023 mainly due to the following reasons: sales revenue increased by 44,69% (equivalent to 304,20 billion VND); cost of goods sold increased by 26,49% (equivalent to 183,66 billion VND); other income increased by 1.085,82% (equivalent to 6,67 billion VND); financial income increased by 847,78% (equivalent to 0,55 billion VND); selling expenses decreased by 10,79% (equivalent to 4,16 billion VND); administrative expenses decreased by 23,04% (equivalent to 8.29 billion VND); other expenses decreased by 99,79% (equivalent to 18,65 billion VND) and financial expenses decreased by 28,72% (equivalent to 2,71 billion VND). However, in the fourth quarter of 2024, the increase in sales revenue, financial income and the decrease in financial expenses, general and administration expenses, selling expense, other expenses were higher than the increase in the cost of goods sold.

Therefore, the net profit after-tax in Q4 2024 increased compared to the profit in Q4 2023 and changed from a loss reported in the same period last year to a profit in the same period this year.

Thank you and best regards,
