

**CHÂN MÂY PORT
JOINT STOCK COMPANY**

SOCIALIST REPUBLIC OF VIETNAM
Independence - Freedom – Happiness

No: 33/CV-CM
Re: Explanation of post-tax profit in
Quarter 4 2024 exceeding 10%
compared to Quarter 4 2023

Hue City, 20th, January, 2025

To:

- The State Securities Commission of Vietnam;
- Hanoi Stock Exchange.

Pursuant to the Securities Law No. 54/2019/QH14 dated November 26, 2019, Circular No. 96/2020/TT-BTC dated November 6, 2020, issued by the Ministry of Finance guiding information disclosure in the securities market, and the Information Disclosure Regulations of the Hanoi Stock Exchange,

Based on the financial statements for quarter 4 2024, Chân Mây Port Joint Stock Company (Stock Code: CMP) hereby provides the following explanation for the variance in post-tax profit for quarter 4 2024, which increased by more than 10% compared to quarter 4 2023:

The Company's revenue in quarter 4 2024 experienced a significant increase compared to the same period last year (up by more than VND 32,39 billion, equivalent to a 54,1% increase compared to quarter 4 2023). Consequently, the Company's post-tax profit for quarter 4 2024 showed a surplus of over VND 10,5 billion, a substantial improvement compared to the same period in 2023 (when quarter 4 2023 recorded a net loss of nearly VND 4.5 billion).

These details are explicitly presented in the explanatory notes of the Company's quarter 4 2024 financial statements.

The above represents the primary reasons for the increase in retained earnings exceeding 10% compared to quarter 4 2023.

We hereby affirm that the information provided is accurate and we accept full responsibility before the law for the disclosed content.

Sincerely./.

Recipients:

- As above;
- Information Disclosure Officer;
