6	Mrs. Phan Quynh Nga	Member of BOD	Start 26/04/2023	02/02	100%	

### 2. Supervisory activities of the Board of Directors over the Board of Management:

In order to ensure the good organization of the company's business operations in accordance with the decisions and directions of the Board of Directors, the Board of Directors regularly monitors the operations of the Board of Management and other departments through a specific and clear task assignment mechanism to evaluate the performance of the Board of Management to ensure that the Company's operations are transparent, in compliance with the law, and implemented in accordance with the Resolutions of the Board of Directors. The Board of Directors has performed its duties of monitoring the operations of the Board of Management through:

- The Chairman of the Board of Directors directly organizes meetings with the Divisions and concludes the instructions.
- The Board of Directors reviews and evaluates the implementation of the business plan through reports, documents of the Board of Management and quarterly reports sent to the Board of Directors.
- Reviewing reports and proposals from the subcommittees to monitor compliance and guide the operations of the Executive Board.

### 3. Activities of the subcommittees of the Board of Directors:

#### 3.1 Department of Internal Audit

The Internal Audit Department is a unit assisting the Board of Directors. In 2024, the Internal Audit Department has implemented the following specific tasks:

- Coordinate to review documents on Procedures, Regulations, Rules, etc. to ensure compliance with the provisions of the State law and management agencies;

- Conduct inspections of the operations of units within the company within the scope of the functions of Internal Audit;
- Maintain the review and assessment of the implementation of Resolutions, Decisions, and directions of the Board of Directors;
- Monitor and evaluate the activities of Risk Management throughout the system;
- Evaluate and analyze the Company's quarter and 6 months financial statements;
- Coordinate to perform the assessment and inspection of the Company's operations;
- Conduct internal exchanges and training on professional skills to ensure the good performance of the functions and tasks of Internal Audit.

### 3.2 Financial Service Policies Council

The Council convenes monthly meetings to approve the list of approved shares for margin lending.

### 3.3 Investment Council

The Investment Council, with its function, holds meetings when there are investment plans that need to be discussed and approved by members before implementation.

1	Mrs. Nguyen Thi An	Head of Supervisory Board since 26/4/2023	1/1	100%	
2	Mr. Bui The Anh	Member of Supervisory Board	1/1	100%	
3	Mrs. Nguyen Thi Thu	Member of Supervisory Board	1/1	100%	

#### 3. Supervisory activities of the Supervisory Board towards the Board of Directors, Board of Management and shareholders:

The Supervisory Board consists of three (03) members elected by the General Meeting of Shareholders (GMS) to carry out supervisory activities in accordance with the provisions of law and the Company's Charter. In the last 6 months of 2024, the Supervisory Board coordinated with the Board of Directors (BOD) and the Board of Management (BOM) to conduct inspection, supervision and recommendation of necessary changes at PSI to contribute to improve the

effectiveness of risk management activities and the quality of corporate governance. Specifically:

- Having reviewed the Audited Financial Statements for the first 6 months of 2024; the Board of Management's Business Performance Report for the first 6 months of 2024; and the Board of Directors' Performance Report for the first 6 months of 2024.
- According to the assessment of the Supervisory Board, the Board of Directors and the Board of Management have basically completed the planned targets assigned by the General Meeting of Shareholders in 2024, while complying with the procedures and regulations in business operations according to the Charter, internal governance regulations and current legal regulations. Specifically:

➤ **For the Board of Directors:**

- The Board of Directors has organized activities in accordance with the provisions of the Charter and the Company's Governance Regulations, ensuring the number of meetings and the number of members attending to meet the legality and effectiveness of the meetings.
- Providing specific and feasible implementation directions and closely monitoring the implementation of the Resolutions of the General Meeting of Shareholders and the Company's business operations.
- The Board of Directors has provided directions and monitored the implementation of the Company's business plan for 2024:

➤ **For the Board of Management**

- Organizing and implementing business activities according to the direction and resolutions of the Board of Directors.
- Fundamentally completing assigned financial targets and action goals.

**4. Coordination of activities between the Supervisory Board and the Board of Directors, Board of Management and other management staff:**

In 2024, with the coordination of the Board of Directors (BOD) and the Board of Management (BOM), the Supervisory Board continued to carry out inspection, supervision and recommend necessary changes at PSI to contribute to increasing the effectiveness of risk management activities and improving the quality of corporate governance. Specifically:

- The BOD, the BOM and the units have provided information to the Supervisory Board for inspection and supervision.
- The Supervisory Board has received coordination in the control activities of the BOD and related units in the company.

**5. Other activities of the Supervisory Board**

In 2024, the Supervisory Board attended quarterly and on-demand meetings of the Board of Directors to grasp the basic business situation of the Company and contribute opinions to the Board of Directors and the Board of Management in implementing the goals approved by the General Meeting of Shareholders. In addition, the Supervisory Board carried out other tasks as follows:

- Reviewing the Financial Statement for the first 6 months of 2024
  - Coordinating with the Internal Audit and Risk Management Departments to conduct periodic inspections, mainly in terms of compliance and some key points.
- 6. Coordination of activities between the Supervisory Board and the Board of Directors, Board of Management and other management staff:**

In 2024, with the coordination of the Board of Directors (BOD) and the Board of Management (BOM), the Supervisory Board continued to carry out inspection, supervision and recommend necessary changes at PSI to contribute to increasing the effectiveness of risk management activities and improving the quality of corporate governance. Specifically:

- The BOD, the BOM and the units have provided information to the Supervisory Board for inspection and supervision.
- The Supervisory Board has received coordination in the control activities of the BOD and related units in the company.
- The BOD, the BOM and relevant departments in the company have no obstacles in the operation of the Supervisory Board.
