## 3. Supervisory activities of the Board of Director over the Board of Management:

In accordance with the provisions of the Charter, current regulations and laws, the Board of Directors always complies with the resolutions of the General Meeting of Shareholders to direct and closely supervise the Company's production and business activities, and effectively implement the set goals and solutions.

The Board of Directors holds regular and extraordinary meetings every quarter to orient and direct the Company's operations and supervise the implementation of the Board of Management's resolutions by the General Director and the Executive Board in a timely, regular, continuous and complete manner, specifically:

- Supervise and consolidate the legal completion of projects.
- Direct the Board of Management to prepare and balance financial resources for the Company's production and business activities and investments.
- Direct the General Director and the Executive Board on business directions under the authority of the Board of Management. Monitor the implementation process through reports.
- Direct and successfully organize the 2025 Annual General Meeting of Shareholders.
- Organize and strictly direct the reporting regime such as quarterly financial reports, semi-annual reports, annual reports.
- The company's Board of Management has also proactively and promptly proposed solutions to implement the company's business goals.

- Monitor and periodically update the company's financial situation, management, personnel, and cost management through reports from the General Director.

**4 Activities of subcommittees under the Board of Directors:** None.
