c. Monitoring Activities of the Board of Directors on the Executive Board

In 2024, the BOD conducted ongoing and timely supervision and guidance of the activities of the Executive Board in accordance with its functions and powers, as specified in the Enterprise Law and the Company's charter:

- The BOD regularly monitored the implementation of the production and business plan and required the Executive Board to report on progress for each production period. Prompt solutions were proposed to enhance business performance.
- The BOD held direct working sessions on issues deemed necessary, with clear delegations for the Executive Board to carry out the tasks.
- The BOD ensured that all activities of the Executive Board complied with the law, the resolutions of the GAS, and the directives issued by the BOD.

d. Activities of Subcommittees of the Board of Directors: No

3. Activities of the Independent Board Member and Evaluation of the Board of Directors' Performance

In 2024, KSD had one independent Board member who assessed the Board of Directors (BoD) activities as follows:

a. Organization of BoD Meetings

- BoD meetings were convened and conducted according to a specific schedule, with well-prepared documents and adherence to established principles. Meeting discussions were thorough, with in-depth debates and assessments to determine the best strategies and solutions for the Company.

**This English translation is equivalent to and consistent with the original Vietnamese version. In case of any discrepancies or differences in interpretation between the Vietnamese and English versions, the Vietnamese version shall prevail.*

- Key issues such as business strategy, financial strategy, corporate culture, and management system development were rigorously discussed and controlled between the BoD and the Executive Board.
- The Company's operations followed a clear delegation of authority framework, with timely risk identification and analysis to ensure stability, safety, compliance with legal regulations, and alignment with the plans set by the BoD and the General Meeting of Shareholders (GMS).
- Investments in new strategic initiatives were independently researched, supported by scientific bases, and debated both within the BoD and with the Executive Board.

b. Supervision of the CEO and Other Executive Board Members

- Overall, the BoD effectively supervised the Executive Board, ensuring that the Company's operations were closely monitored, aligned with strategic directions, and adjusted promptly in response to real-world demands.
- BoD members attended both regular and extraordinary meetings of the Executive Board. Executive Board decisions were analyzed, debated, and consulted with the BoD to optimize solutions for the Company's benefit. This enabled the BoD to stay well-informed about the Company's operations, anticipate arising situations, and quickly adapt to real-world requirements.
- BoD members played a proactive role in Company affairs and provided significant support to the Executive Board, including holding experience-sharing sessions with different management levels.
- The BoD paid particular attention to risk management strategies to help the Executive Board identify potential issues early, ensuring the Company's sustainability, operational stability, and investor protection.

c. Overall Evaluation of the BoD's Performance

- The BoD's activities in 2024 were in line with the resolutions of the GMS, the Company's Charter, governance regulations, and corporate governance best practices.
- All BoD members demonstrated a high level of professionalism and deep responsibility. The allocation of responsibilities was clear, and each member performed their role with caution and diligence in protecting the Company's interests.
- The BoD proposed timely and effective solutions to help the Executive Board overcome challenges in Company operations, ensuring strict legal compliance.

Dividend	%	0%

3. Directions of the Board of General Directors for 2025

In 2025, the Board of General Directors will focus on the following activities:

For the production and export of hangers

- In addition to the traditional markets in Europe and the U.S., efforts will be made to promote communication with customers in Southeast Asia and the domestic Vietnamese market. Additionally, market research activities will be conducted to identify new customers and markets, boosting export activities.
- Conduct research and product improvements to meet new customer tastes and demands, focusing on convenient single-use hangers catering to the needs of developed countries.
- Promote newly launched plastic and metal hangers through increased marketing efforts to expand product awareness both domestically and internationally.
- Implement cost-saving measures and tightly manage and control fuel costs, technical management expenses, and material wastage in production and business operations.

**This English translation is equivalent to and consistent with the original Vietnamese version. In case of any discrepancies or differences in interpretation between the Vietnamese and English versions, the Vietnamese version shall prevail.*

- Research, apply technology, and install machinery and equipment in clothes hanger production to increase output and product quality in line with sustainable development standards and criteria. The estimated output is approximately 200,000 boxes of products per year.

For the rental of factory premises

- Fully exploit the potential of existing infrastructure, optimizing production and factory rental activities.
- Continue enhancing the quality of support services to ensure that tenant companies receive the best assistance.
- Invest in the construction and expansion of rental workshop space by approximately 5,000 square meters of floor area; simultaneously upgrade and renovate the workshop to meet new production requirements.

For trade and import-export activities.

- Maintain the scale and product categories of the Company's current import-export operations.
- Study and evaluate market size to develop appropriate strategies, focusing on materials and goods that serve dual purposes: supporting the production needs of the Company's two key sectors (plastic production and hanger manufacturing) and trading purposes.

For the Financial Investment Sector.

- In addition to reinvesting in the Company's current core activities, the Company plans to partially expand into financial investment activities to maximize profits and leverage its business cash flow advantages.
- Seek opportunities to invest in equity holdings in other entities and companies operating in new sectors to explore new business opportunities and expand partnerships.

With its capabilities and determination, the Company's leadership is committed to implementing key development strategies and restructuring organizational operations. Specifically:

- Continue improving the system of regulations and operational procedures, creating a regulatory framework for business activities based on compliance with legal requirements and enhancing professionalism.
- Plan and implement solutions to address potential challenges and difficulties, ensuring the Company's operations and seizing new opportunities.

**This English translation is equivalent to and consistent with the original Vietnamese version. In case of any discrepancies or differences in interpretation between the Vietnamese and English versions, the Vietnamese version shall prevail.*

- Prioritize the protection and maximization of the legal rights and interests of shareholders while also ensuring the income, benefits, and working conditions of all Company employees;
- Strive for sustainable development, emphasizing community engagement, environmental protection, and social welfare, thereby demonstrating a high level of responsibility toward society and the community.

The above report outlines the activities of the Company's Board of General Directors for 2024, as well as the proposed plans and directions for 2025. We respectfully submit this report to the General Meeting of Shareholders for review, consideration, and approval.

The Supervisory Board respectfully submits to the Annual General Meeting of Shareholders the proposal to select an audit firm for auditing the financial statements of DNA Investment Joint Stock Company for 2025 as follows:

1. Criteria for Selecting the Audit Firm

The audit firm selected for DNA Investment Joint Stock Company must meet the following criteria:

- Be an independent, reputable audit firm approved by the State Securities Commission of Vietnam to audit listed entities;
- Have a team of highly qualified and experienced professionals and auditors capable of auditing financial statements under Vietnamese Accounting Standards (VAS) and the Vietnamese Accounting System;
- Have no conflicts of interest while auditing the Company's financial statements;
- Offer competitive and reasonable service fees.

2. Proposed List of Audit Firms

**This English translation is equivalent to and consistent with the original Vietnamese version. In case of any discrepancies or differences in interpretation between the Vietnamese and English versions, the Vietnamese version shall prevail.*

The Supervisory Board respectfully submits to the General Meeting of Shareholders a proposed list of audit firms for auditing the Company's 2025 financial statements and requests authorization for the Board of Directors to select one of the following firms to perform the audit:

- Chuẩn Việt Auditing and Consulting Co., Ltd. (CHUẨN VIỆT)
- International Auditing and Valuation Co., Ltd. (IAV)
- PwC (Vietnam) Limited Liability Auditing Company (PwC Vietnam)

In case negotiations with the above-mentioned firms regarding timing and fees are unsuccessful, the General Meeting of Shareholders authorizes the Board of Directors to select another independent audit firm from the list of firms approved by the State Securities Commission of Vietnam for public-interest entities to audit the Company's financial statements for 2025.

Respectfully submitted to the General Meeting of Shareholders for approval./.
