- Pursuant to the Financial Statements for the first quarter of 2025
- Pursuant to the Financial Statements for the first quarter of 2026

Vietnam Financial Investment Securities Joint Stock Company hereby provides an explanation for the decrease of more than 10% in profit in Q1/2026 compared to Q1/2025 as follows:

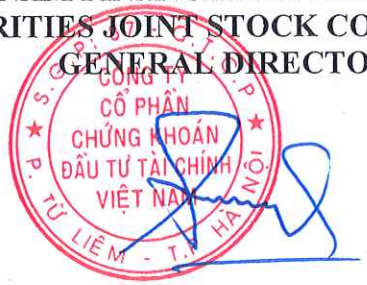

Items of the first quarter	2025	2026	Increase/(Decrease)
Revenue	3,970,034,347	5,366,348,618	35%
Financial income	474,090,977	224,165,615	(53%)
Operating expenses	4,590,750,999	5,147,212,422	12%
General & administrative expenses	2,675,243,673	2,080,516,794	(22%)
Profit before corporate income tax	(2,873,913,258)	(1,777,714,583)	(38%)

The primary reason for the decrease of more than 10% in profit in Q1/2026 compared to the same period in 2025 is due to fluctuations in the stock market. In particular, losses arising from the revaluation of financial assets through profit or loss increased by VND 957 million.

The above is the Company's explanation regarding the fluctuation in Profit After Corporate Income Tax for 2025, which decreased by more than 10% between the pre-audit and post-audit financial statements.

Sincerely yours.

VIET NAM FINANCIAL INVESTMENT SECURITIES JOINT STOCK COMPANY
GENERAL DIRECTOR

Duong Quang Trung
