Re: Explanation of Profit Discrepancy between QIII/2024 and QIII/2025

SOCIALIST REPUBLIC OF VIETNAM
Independence – Freedom – Happiness

Ho Chi Minh, October 16, 2025

To:
- **The State Securities Commission of Vietnam;**
- **Vietnam Stock Exchange;**
- **Hanoi Stock Exchange;**
- **Ho Chi Minh City Stock Exchange.**

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding information disclosure on the securities market.

According to the QIII/2024 Financial Statement and the QIII2025 Financial Statement, the profit after tax of APG Securities Joint Stock Company is as follows:

- QuarterIII/2024: -148,077,273,462 VND;
- QuarterIII/2025: 19,311,336,113 VND.

The discrepancy in semi-annual profit after tax between 2024 and 2025 (>10%) is mainly due to:

- Losses on financial assets recorded through profit or loss (FVTPL) Q3/2025 decreased.

Sincerely thank you./.
