2. For the Consolidated Financial Statements: The after-tax profit in the report audited business results is VND 88,5 billion VND 11,4 billion vnd compared to the VND 77,05 before the audit (equivalent to an increase of approximately 15%) due to following main reasons:

- The consolidated financial statement for Q4, which was self-prepared by the company, did not reverse the internal debt provision made during the year when preparing the financial statements, amounting to VND 11,4 billion vnd.
