HCMC, March 30<sup>th</sup>, 2022Regarding: Result Explanation for  
the Audited Separate Financial  
Statements 2021

**To:**

- **The State Securities Commission**
- **Ho Chi Minh Stock Exchange**

According to our Business Performance 2021 of the Audited Separate financial statements dated March 30<sup>th</sup>, 2021, the Company would like to clarify the changes as below:

Indicators	2021 (VND)	2020 (VND)	Up/Down (%)
Net revenue	20,778,070,334,085	12,472,397,223,474	+67%
Profit after tax	638,642,465,978	262,274,401,035	+144%

Reasons:

- In 2021, total revenue increased sharply by +67% YoY with an impressive growth 81% YoY in Laptops & Tablets thanks to the increasing demand for work and study from home due to the Covid-19 pandemic and revenue contribution from Apple and Huawei products. 54% growth in Mobile phones thanks to the maintenance of Xiaomi's market share and revenue from the distribution of Iphone series from Apple. Office equipment had a positive growth of 85 % thanks to the addition of many new brands in this year. In addition, IOT's product lines are increasingly diversified, convenient and favored by consumers. Consumer goods rose 42% thanks to the fast-moving consumer goods for daily life that still recorded positive signs and the revenue contribution from Covid-19 anti-epidemic products, reaching 75% plan of the year. Thus, total revenue in 2021 completing 138% plan of the year.
- Accordingly, profit after tax grew by 144% YoY, reached VND 638bn.

Sincerely.
