On January 17th, 2025, the Hochiminh Stock Exchange (HOSE) organized a ceremony to award the listing decision to Binh Son Refining and Petrochemical Joint Stock Company (Stock code: BSR) and put more than 3.1 million BSR shares into official trading with a total listing value (at par value) of over VND 31,000 billion. The reference price on the first trading day is VND 21,300/share, with the daily trading limit of +/- 20%.

Binh Son Refining and Petrochemical Joint Stock Company was established by Vietnam Oil and Gas Group under Decision No. 1018/QD-DKVN on May 9th, 2008. The company received its first Business Registration Certificate from Quang Ngai Province's Department of Planning and Investment on June 5th, 2008, initially operating as a single-member limited liability company. Its primary responsibility was to manage and operate Dung Quat Oil Refinery, with a focus on producing refined petroleum products.

In 2018, the Company transformed into a joint stock company with a charter capital of VND 31,004,996,160,000 after completing the initial public offering of shares through the equitization plan approved by the Prime Minister in Decision No. 1978/QD-TTg dated December 8, 2017.

According to Financial Reports, Binh Son Refining and Petrochemical Joint Stock Company achieved net revenues of over VND 167,000 billion in 2022 and VND 147,000 billion in 2023, with after-tax profits of VND 14,669 billion and VND 8,593 billion respectively. By the end of Quarter 3/2024, BSR had generated revenue of more than VND 87,059 billion with an after-tax profit of VND 674 billion.

During the listing decision ceremony, HOSE leadership representatives welcomed BSR to its first trading session. As the market operator, HOSE pledged to support the company in meeting its obligations as a listed entity, particularly in areas of information disclosure and compliance with securities market regulations and policies.
