To: The State Securities Commission

Hanoi Stock Exchange

Hai Phong Construction Joint Stock Corporation No. 3 (HC3) would like to extend our most respectful greetings to the State Securities Commission and Hanoi Stock Exchange.

Pursuant to Circular No. 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

According to the consolidated financial statements for the 4th quarter in 2024 and the consolidated financial statements for the 4th quarter in 2023, the profit after tax of Hai Phong Construction Joint Stock Corporation No. 3 is as follows:

Content	Amount (dong)
Consolidated profit of 4 th quarter in 2024 (after tax)	5.158.452.693
Consolidated profit of 4 th quarter in 2023 (after tax)	10.462.013.216

Some reasons for the profit difference in the consolidated financial statements for the 4th quarter of 2024:

- Although net profit from the parent company's construction sector increased, financial investment results were affected by provisions for securities investment and dividends distributed from affiliated companies.

- Business results of the associated company decreased.

By this document, our Company would like to give explanation to the State Securities Commission of Vietnam and Hanoi Stock Exchange about the change in profit after tax on the consolidated financial statements of 4th quarter in 2024 compared to the consolidated financial statements of 4th quarter in 2023.

Thank you so much!
