### 2.4. Financial assets and Financial liabilities

#### a) Initial recognition

Financial assets

Financial assets of the Company including cash and cash equivalents, financial assets at fair value through profit and loss (FVTPL), loans and receivables. At initial recognition, financial assets are identified by purchasing price/issuing cost plus other expenses directly related to the purchase and issuance of those assets, except financial assets at fair value through profit and loss (FVTPL) are identified by purchasing price/issuing expense.

### Financial liabilities

Financial liabilities of the Company including loans, trade payables and other payables, accrued expenses. At initial recognition, financial liabilities are determined by issuing price plus other expense directly related to the issuance of those liabilities.

#### b) Classification principles

Financial assets at fair value through profit and loss (FVTPL): financial asset is classified as FVTPL if it was held for the purpose of selling or repurchasing in financial market through researching and analyzing with profit-taking expectation. Financial assets that are classified differently upon sale need to be reclassified into the FVTPL.

FVTPL financial assets that are debt instruments at maturity must be transferred to receivables and made provision for doubtful receivables (if any).

Held-to-maturity (HTM) financial assets: are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Company has positive intentions and hold to maturity, except:

- Non-derivative financial assets which at the time of initial recognition were classified by the Company as Fair value through profit/loss (FVTPL):
- Non-derivative financial assets that have been classified by the Company as available for sale (AFS);
- Non-derivative financial assets meet the definitions of loans and receivables.

After initial recognition, Held-to-maturity (HTM) financial assets are measured at amortized cost using the real interest rate method.

Loans: are non-derivative financial assets with fixed or identifiable payments and not listed on a perfect market.

Types of loan commitments made:

- Margin contract;
- Prepaid of selling securities contract.

After initial recognition, loans are measured at amortized cost using the real interest rate method, except for: loans to financial assets recognized at fair value through profit or loss; financial liabilities arising from the transfer of a financial asset that are ineligible for derecognition or, as appropriate, under the related continuation rule; financial guarantee contracts.

### c) Revalue financial asset principles

Revaluation of financial assets FVTPL and AFS at market value or fair value is according to the method of valuation in accordance with the law. In case, there is no market prices at the most recent trading date, the Company uses fair value to revalue its financial assets. The fair value is determined on the base of respect for the principle, method or model of valuation theory of financial assets approved by the Board of Management.

The fair value/market value of financial assets is determined as follows:

- The market value of the securities listed on the Hanoi Stock Exchange and the Ho Chi Minh City Stock Exchange is the closing price of the last trading day counted to the date of revaluation;
- For securities of unlisted companies on the stock exchange but registered for trading on the trading market of unlisted public companies (UPCom), the market value is determined as the average value of the next 30 trading days up to the revaluation date.
- For listed securities which are canceled or suspended from trading or ceased to be traded from the sixth trading day onwards, the actual securities prices are the book values at the latest balance sheet date.
- For unlisted and unregistered securities on the trading market of unlisted public companies (UPCom), the actual market price of securities as the basis for re-evaluation is the trading value on the over-the-counter (OTC) market at the closest time up to the revaluation date.

The difference increased or decreased due to revaluation of FVTPL is recorded on the non-offsetting principle and presented in the Income statement according to 02 items: "Loss of financial assets recognized through profit/ loss (FVTPL)" - Details "Diminished difference on revaluation of financial assets recognized through profit/loss" (if the valuation is decreased) and the target "Gain from financial assets recognized through profit/loss (FVTPL)" - Details "Increased difference in revaluation of financial assets recognized through profit/loss" (if the valuation is increased).

The difference in increase/decrease due to revaluation of AFS are rrecognized on a non-offsetting basis and is recognized directly in equity of the Statements of Financial Position on the item "the differences of asset revaluation at Fair value".

#### 2.5. Fixed assets
