Re: Explanation of separate financial statements  
for the fourth quarter of 2024

*Ha noi, January 17, 2025*

Dear: - State Securities Commission;  
- Hanoi Stock Exchange

- Pursuant to Clause 4, Article 14 of Circular 96/2020/TT-BTC, Vinacomin Investment, Trade and Service Joint Stock Company explains the difference in profit indicators between the Financial Report of the Fourth Quarter of 2024 and the Financial Report of the Fourth Quarter of 2023 as follows:

Unit: VND

Norm	Quarter IV 2024	Quarter IV 2023	Chênh lệch
1	2	3	4=2-3
Profit before tax of parent company	8.870.729.502	10.130.430.190	(1.259.700.688)
Current corporate income tax expense	6.254.275.972	7.559.645.120	(1.305.369.148)
Deferred corporate income tax expense	0	0	0
Profit after tax of parent company	2.616.453.530	2.570.785.070	45.668.460

According to the table above, the parent company's after-tax profit in the fourth quarter of 2024 increased slightly compared to the fourth quarter of 2023. Although production costs increased, the company still boosted production and business, maintaining profits, so the fourth quarter of 2024 increased slightly in both revenue and after-tax profit.

Vinacomin Investment, Trading and Service Joint Stock Company looks forward to the cooperation and support of the Hanoi Stock Exchange to create conditions for the Company to operate effectively on the Stock Exchange.

Thanks a lot!
