3. Supervisory activities of the Board of Supervisors towards the Board of Directors, Executive Board and shareholders

3.1. Results of monitoring the Board of Directors' activities

- In 2024, the Board of Directors successfully held the 2024 Annual General Meeting of Shareholders on April 9, 2024.
- The Board of Directors held 04 Board meetings with the participation of the Board of Supervisors. In 2024, the Board of Directors issued 74 resolutions and decisions. The resolutions and decisions were unanimously approved by all participating members and reflected the Company's orientation, strategy and business solutions in line with the general policy of the State and the market context. The Board of Directors operated in accordance with the functions, tasks and powers stipulated in the Charter, internal regulations on corporate governance, operating regulations of the Board of Directors and current legal regulations; always proactively and enthusiastically implemented and completed the tasks approved by the General Meeting of Shareholders, ensuring the best interests of the Company and shareholders.
- The Board of Directors has organized many sessions to collect opinions in writing, direct Board of Directors meetings as well as exchanges via email, members have contributed constructive opinions or responsibly criticized issues under the authority and responsibility of the Board of Directors. The meetings focused on the main contents: Production and business plan, Company development strategy, organizational model, policy mechanism, project investment. Resolutions and decisions of the Board of Directors were issued within their authority, in accordance with the Company Charter and legal regulations.
- The implementation of information disclosure is directed by the Board of Directors to comply with State regulations.

3.2. Results of monitoring the General Director's activities

- In 2024, the General Director and the Board of Directors proactively carried out the tasks and targets approved by the General Meeting of Shareholders and the Board of Directors; during the operation process, they always demonstrated a high sense of responsibility, overcame development difficulties, maintained existing markets, expanded domestic and foreign markets, strengthened marketing activities, and promoted the image of Da Nang Port.
- The production and business situation in 2024 achieved good results, with revenue and profit both increasing compared to the plan for 2024 and the same period in 2023.
- The General Director and the Executive Board strictly comply with the provisions of law related to corporate governance and business tasks of the Company; properly implement the provisions of the Charter and the directions of the Resolution of the Board of Directors.
- To continue to strengthen the effective control of the Company's production and business activities, in 2024, the Board of Directors and the Executive Board issued internal management regulations and rules according to specific authority, developed and issued 22 regulations, rules, and procedures out of a total of 107 regulations, rules, and procedures currently in the Company. The General Director submitted 78 proposals to the Board of Directors, mainly focusing on issues of promoting production and business, increasing labor productivity, customer care, and perfecting the apparatus. All services of the Port

have been trusted and highly appreciated by customers, affirming the image, position, and brand of Da Nang Port in the domestic market as well as international customers, the lives of workers are increasingly stable, and work is secure.

- Ensure the regimes according to State regulations; working environment conditions, implementation of collective labor agreements, other regimes for employees.

- The company discloses information publicly, transparently and promptly in accordance with legal regulations.

- In addition to the achieved results, some projects are still behind schedule, the Executive Board needs to promote investment work: Danang Port Hotel investment project, IT investment projects.

- For shareholders: In 2024, the Board of Supervisors will not receive any requests or complaints from shareholders or groups of shareholders.

4. Coordination of activities between the Board of Supervisors and the Board of Directors, Executive Board (EB) and other management staff

- The Board of Supervisors has closely coordinated with the Board of Directors, the General Director and the Executive Board in performing its assigned functions and tasks. The Board of Directors and the General Director have created favorable conditions for the Board of Supervisors to perform its tasks. The Board of Supervisors has been provided with full information and documents related to the Company's operations, and has been invited to attend all meetings of the Board of Directors and other necessary meetings.

- Most of the timely contributions of the Board of Supervisors to the activities of the Board of Directors, General Director and Executive Board of the Corporation are recorded and adjusted immediately during the process of making resolutions, decisions and implementation.

- The close coordination between the Board of Directors, the Board of Supervisors and the General Director contributes to enhancing the efficiency of capital and asset use in general as well as enhancing the effectiveness of inspection, supervision and risk management in the company.
