5. Particular of operate enterprise effected financial reports

6. Business structure

- List of subsidiaries ;
- List of associated companies and joint ventures ;
- List of units under no legal status dependent accounting .

7. Declaration on the comparability of the information printed on the financial statements (with comparable or not , if not comparable as to the reason why the transformation of ownership , split , merge , stating the length of the period of comparison...)

II. Financial year, unit of currency using

1. Financial year (starting from January 1 and ending on December 31)

2. Unit of currency used the year

The accompanying financial statements are presented in Vietnamese Dong (VND) in accordance with the historical cost principle, Vietnamese accounting standards, corporate accounting regime and legal regulations related to the presentation of financial statements.

III. Accounting standard and system using

1. Accounting system using

The company has applied Circular No. 200/2014/TT-BTC dated December 22, 2014 ("Circular 200") guiding the enterprise accounting regime.

2. Proclaim obeying accounting standard system

The Board of Directors ensures that it has complied with the requirements of the Vietnamese Accounting Standards and Enterprise Accounting Regime issued under Circular No. 200/2014/TT-BTC dated December 22, 2014 as well as the circulars guiding the implementation of accounting standards of the Ministry of Finance in preparing financial statements.

IV. The accounting policies applied (in the case of continuous business operations)

1. The principle of converting financial statements prepared in foreign currencies into Vietnam dong (School of bookkeeping currency other than Vietnam Dong) ; The impact (if any) resulting from the conversion of financial statements of foreign currencies into Vietnam dong

2. The type of exchange rate applied in accounting .

3. The principles for determining the actual interest rate (effective rate) used to discount cash flows .

4. The principle of posting cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits, short-term investments with maturities of 3 months or less, highly liquid, readily convertible to cash and subject to little risk of changes in value. Cash and cash equivalents are recorded in accordance with Vietnamese Accounting Standards and accounting regime.

5. Accounting Principles financial investments

- a) Trading securities ;
- b) Investments held to maturity ;
- c) Loans ;
- d) Investments in subsidiaries ; associated companies and joint ventures ;
- e) Investments in equity instruments of other entities ;
- e) The method of accounting for transactions relating to financial investment .

- Trading securities: securities investments are determined at original cost minus trading securities discounts.

- Held-to-maturity investments: include investments that the Company has the intention and ability to hold until maturity. Held-to-maturity investments include: bank deposits with terms of more than 3 months for the purpose of earning periodic interest.

6. Accounting Principles debts

Receivables are stated at carrying amount less allowance for doubtful debts. Allowance for doubtful debts is made for receivables that are overdue for six months or more, or for receivables that are unlikely to be paid by the debtor due to liquidation, bankruptcy or similar difficulties.

7. Principle of posting inventories

- Principle of posting inventories
- The method of calculating the value of inventories
- The method of posting the value of inventories
- The method of establishing provision for inventories

Inventories are measured at the lower of cost and net realizable value. Cost includes direct materials, direct labour and those overheads (if any) that have been incurred in bringing the inventories to their present location and condition.

Inventories are valued at cost using the weighted average method and accounted for using the perpetual inventory method. Net realizable value is determined as the estimated selling price less the estimated costs of completion and the costs to be incurred in marketing, selling and distribution.

The Company's inventory impairment provision is made in accordance with current regulations.

8. Principle of posting and amortizing assets and invested assets

Fixed assets are stated at cost less accumulated depreciation. Fixed assets are depreciated using the straight-line method over their estimated useful lives.

9. Accounting principles of business cooperation contracts .

10. Principle and method of posting the expenses of deferred corporate income tax

11. Accounting Principles upfront costs .

Tools and supplies issued for use that do not meet the criteria of fixed assets and are assessed to be capable of providing future economic benefits with a useful life of more than 1 year are allocated to production and business expenses using the straight-line method over the estimated useful life.

Other prepaid expenses are recorded at original cost and are amortized using the straight-line method over their useful lives, typically from 01 to 03 years.

12. Accounting Principles liabilities .

Liabilities are stated at book value and include trade payables, accrued expenses and other payables.

13. Recognition of loans and finance lease liabilities .

14. Principle of posting and capitalizing borrows;

15. Principle of posting payable expenses
