Article 7. Approval of the plan to use treasury stocks to distribute to existing shareholders of the Company

At the 2025 Annual General Meeting of Shareholders, the Board of Directors submitted to the General Meeting of Shareholders the policy of handling treasury shares according to Proposal No. 06/TT-HĐQT/SAFI-2025 and requested to add the Plan to issue bonus shares to existing shareholders from the Company's treasury shares. The General Meeting of Shareholders unanimously approved the specific plan as follows:

1. The General Meeting of Shareholders approved the cancellation of the plan to handle treasury shares according to Proposal No. 06/TT-HĐQT/SAFI-2025 and replaced it with the Plan to issue bonus shares to existing shareholders from the Company's treasury shares.
2. The General Meeting of Shareholders approved the plan to distribute bonus shares to existing shareholders from the Company's treasury stock, specifically as follows:
 - Stock name: Safi Transport Agency Joint Stock Company Stock
 - Type of shares issued: Common shares
 - Face value: 10,000 VND/share
 - Number of treasury shares issued: 1,730,012 shares

In there:

- +/ 1,480,000 shares (repurchased in 2020: from August 5, 2020 – August 19, 2020)
- +/ 250,012 shares (buy back ESOP shares of retired employees from previous revocations)
- Form of issuance: distribute all 1,730,012 treasury shares to existing shareholders according to the corresponding ownership ratio at the time of issuance (expected to be implemented in the fourth quarter of 2025 after the State Securities Commission has announced receipt of full issuance documents). The implementation ratio (including the number of shares issued under the 2024 option program) will be specifically determined at the time of issuance implementation and ensure the maximum number of issued shares is 1,730,012 treasury shares.
 1. Issuance subjects: existing shareholders whose names are on the list on the last registration date to exercise the right to receive shares divided from treasury stocks.

2. Rounding plan, plan for handling odd shares: (i) The number of treasury shares distributed to existing shareholders according to the distribution ratio for each shareholder is calculated as an integer, the decimal part will not be rounded to 01 share. (ii) The odd shares arising (decimal part) (if any) will not be distributed to shareholders and will be used as treasury shares to continue selling by order matching method on the stock exchange after completing legal procedures with the competent authority, the proceeds will be used to supplement business capital.

For example: Shareholder A currently owns 121 shares, with an exercise rate of 8%, the number of new shares that shareholder A receives is: $121 * 8 / 100 = 9.68$ shares; according to the above rounding principle, the number of new shares that shareholder A receives is 9 shares, the number of decimal fractional shares arising is 0.68 shares which will be used as treasury shares and combined to continue the procedures for further sale on the stock exchange.

3. Capital source: Capital source to distribute treasury shares from the Company's undistributed profit after tax on the 2024 audited financial statements.

4. Principles of price determination:

- Issue price is equal to actual purchase price of treasury stock.
- Treasury shares are distributed to existing shareholders from the Company's undistributed profit after tax on the audited HN financial statements for 2024. Bonus shares from treasury shares are not required for purchase by shareholders.

5. The right to receive shares from treasury stock distribution is not transferable.

6. Transfer restrictions: The number of shares distributed from treasury stocks are freely transferable.

7. The issuance of bonus shares to existing shareholders complies with foreign ownership ratio.

8. The General Meeting of Shareholders authorizes the Board of Directors to determine the issuance ratio and related procedures and work to complete the plan to pay bonuses to existing shareholders from treasury shares; and to carry out legal procedures to handle the above-mentioned odd shares.

The General Meeting of Shareholders approved the entire plan and voted as follows:

Voting ratio :

- Agreement: 99.97% of total voting shares
- Disagreement: 0.00% of total voting shares
- No opinion: 0.03% of total voting shares
