Pursuant to Clause 4, Article 11, Chapter III of Circular 155/2015/TT-BTC issued on October 6, 2015 and be effective from January 1, 2016 of the Ministry of Finance guiding the announcement information on the stock market. VIWASUPCO would like to explain for the profit after corporate income tax in the fourth quarter of 2024 changing by 10% or more compared to the same period last year as follows:

Profit after tax of year 2024 is : (-92.582.853.196) VNĐ, an decrease of 372% compared to 2023 (equivalent to 126.627.698.475).

The main reasons for the decrease in profits are below:

- VIWASUPCO has completed and put into operation a number of construction project items, leading to an increase in depreciation of fixed assets compared to the same period last year; the interest expenses also increased compared to the same period last year.
- Management costs increased by VND 36.134.709.592 due to increased raw material costs, external purchasing costs, and other cash costs increased compared to the same period last year;
- Other profits decreased by VND 6.792.246.902 compared to the same period last year due to construction project input adjustments according to State audit’s minutes.

These are the main reasons leading to a loss in profit after tax of 2024 and an increase in loss at a rate of 372% compared to the same period last year, corresponding to the amount of VNĐ **126.627.698.475**
