No: 112-25./CV-CTTK

Ho Chi Minh City, March 10, 2025.

Re: Explanation of Profit Fluctuations Before and After Audit.

To:

- State Securities Commission.
- Ho Chi Minh City Stock Exchange (HOSE)

Century Synthetic Fiber Corporation explains the fluctuations in profit indicators before and after the audit for 2024 for the Consolidated and Parent Company Financial Statements, which were audited on March 7, 2025, as follows:

a/ Parent Company:

Unit: VND

No	Item	After 2024 audit	Before 2024 audit	Increase (+)/ Decrease (-)	
1	Net revenue	1,249,263,243,772	1,249,263,243,772	-	0.0%
2	Gross profit	154,964,509,013	152,964,665,946	1,999,843,067	1.3%
3	Profit before tax	58,380,039,577	53,600,431,939	4,779,607,638	8.9%
4	Net profit after tax	51,544,794,024	46,831,941,196	4,712,852,828	10.1%

b/ Consolidated:

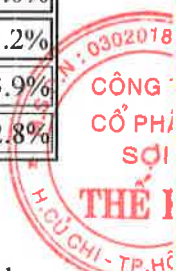

Unit: VND

No.	Item	After 2024 audit	Before 2024 audit	Increase (+)/ Decrease (-)	
1	Net revenue	1,210,252,569,729	1,210,252,569,729	-	0.0%
2	Gross profit	163,226,887,815	161,227,044,748	1,999,843,067	1.2%
3	Profit before tax	18,901,045,047	52,394,811,427	(33,493,766,380)	-63.9%
4	Net profit after tax	12,402,343,658	45,626,320,684	(33,223,977,026)	-72.8%

Reasons:

Net revenue before and after the audit remains unchanged; however, the differences in profit before and after tax are as follows:

- **Parent Company Financial Statements:**
Profit before tax increased by VND 4.8 billion, equivalent to an 8.9% rise, and net profit after tax increased by VND 4.7 billion, equivalent to a 10.1% rise. This is due to the audit recognizing additional financial income from the Parent Company's internal lending to its subsidiary, Unitex.
- **Consolidated Financial Statements:**
Profit before tax decreased by VND 33.5 billion, equivalent to a 63.9% decline, and net profit after tax decreased by VND 33.2 billion, equivalent to a 72.8% decline. This was due to a change

lc

in the accounting treatment of unrealized foreign exchange differences related to the Unitex Project – a subsidiary that has not yet commenced operations.

- In the unaudited financial statements, this amount was recorded as an asset to be allocated over five years, following the guidance in Clause 2.21, Article 4 of Circular 96/2015/TT-BTC. It was anticipated that once the project became operational, this foreign exchange difference would be allocated to financial expenses over a period not exceeding five years.
- However, in the audited financial statements, based on the auditing firm's advisory opinion, this foreign exchange difference was directly recorded as a financial expense in accordance with Circular 200/2014/TT-BTC.

We sincerely appreciate your attention and extend our best regards.
