

HCM city, March 31<sup>st</sup> 2025

**To:**

- The State Securities Commission
- Ho Chi Minh Stock Exchange

On March 31<sup>st</sup>, 2025, Do Thanh Technology Joint Stock Company announced the Financial Report for the fiscal year ended 2024. Our company issued this document to explain the profit fluctuations in 2024 compared to the profit in 2023 as follows:

<b>Target</b>	<b>Year 2024</b>	<b>Year 2023</b>	<b>Difference (increase(+)/ decrease (-)%</b>
<b>Net revenue</b>	<b>197.386.384.524</b>	<b>171.146.073.620</b>	<b>+ 15.33%</b>
<b>Costs of goods sold</b>	<b>163.785.251.902</b>	<b>144.541.388.115</b>	<b>+13.31%</b>
<b>Profit after corporate income tax</b>	<b>11.418.249.966</b>	<b>8.504.290.323</b>	<b>+34.27%</b>

The reason for the increase in after-tax profit in year 2024 compared in year 2023 is due to:

- Control production costs and stable management costs.
- Control management costs, financial costs, shorten payment time earlier than expected.

Above is the explanation of Do Thanh Technology Corporation.

Best regards!

**DoThanh Technology Corporation**  
**Deputy General Director**
