4. Development orientations:

4.1. Main objectives of the Company:

- Focus on developing the Company's commercial business. Focused investment; priority given to developing distribution network in the inner city of Hanoi. Promote distribution of goods.

- Diversify and improve the quality of goods sources (especially imported food products and high-quality Vietnamese goods).

- Organize training and develop high quality human resources to ensure promoting the Company's business activities.

- Take advantage of existing land networks and locations to exploit business, according to appropriate fields. Research and develop projects to convert usage purposes or business content to improve network efficiency and create financial resources for the Company.

- Ensure employment and increase income for employees.

- Build a reputable brand to gain market share, making Hanoi Foodstuff brand one of the strong brands in distribution.

4.2. Medium- and long-term development strategy:

- Diversify and improve the quality of goods sources (especially imported food products, high-quality Vietnamese goods), product models and services.

- Promote the distribution of goods professionally and on a large scale.

- Build a corporate culture model with its own identity; orient actions according to the development direction of each year.

- Continue to re-plan the entire business network in accordance with the Company's usage and development strategy; strengthen network review and rearrangement, promote exploitation and improve network efficiency according to the plan.

- Restructure and stabilize the organization towards streamlining personnel and management apparatus to reduce costs, improve capacity and production and business efficiency.

4.3. The Company's short-term and medium-term (environmental, social and community) sustainability goals and key programs:

- Save raw materials, prioritize using environmentally friendly products.

- Always focus on national defense and security, food safety and hygiene, fire prevention and fighting, and labor safety at business locations managed by the Company or with which it has an exploitation relationship.

5. Risks:

- Increase in raw material prices; increase in rental costs and land taxes, affecting the Company's business results;

- The low market awareness of some newly launched products significantly affects the company's business.

II. COMPANY'S PERFORMANCE IN 2024:

1. Production and business performance in 2024:

*** Results of performance of economic targets:**

No.	Items	Plan in 2024	Implementation in 2024	Rate % <u>Implementation</u> <u>in 2024</u> Plan in 2024	Rate % <u>Implementation</u> <u>in 2024</u>
-----	-------	--------------	------------------------	---	---

					Implementation in 2023
1	Revenue and other income (billion dong)	114.29	85.88	75.1%	103.4%
2	Profit before tax (billion dong)	11.05	(10.8)	-	-

- *Wholesale activities:* In 2024, The Company focus on promoting the distribution of cooking oil, Bibica confectionery and Thuan Phat paper products. The company's distribution business operations are relatively stable. The company has successfully completed the planned targets.

- *Network management and operation activities:* The company currently manages and operates 35 locations. The company regularly conducts site inspections. In 2024, the company's locations did not incur any land boundary violations and operated in accordance with their designated business purposes. The Company made strong efforts to enhance customer acquisition through various measures, resulting in increased revenue and achieving an occupancy rate of 93.2% by year-end.

- *Revenue and other income:* In 2024, revenue reached VND 85.88 billion, equal to 75.1% of the 2024 plan and 103.4% compared to implementation in 2023.

- *Pre-tax profit:* In 2024, the loss is VND 10.8 billion. The loss was primarily attributable to the company's provision for financial investments and doubtful receivables.

III. REPORT AND ASSESSMENT OF THE BOARD OF MANAGEMENT

1. Evaluation on production and business performance:

In 2024, the management of the Company's Executive Board always closely follow the policies and orientations according to the resolutions of the Board of Directors. The Company's Executive Board focuses on directing wholesale distribution activities and managing network asset exploitation.

Production and business results in 2024: Revenue reached VND 85.88 billion, reaching 75.1% of the plan; Profit of VND (10.8) billion did not meet the plan because the Company made provisions for financial investments, bad debts and increased financial expenses due to the loan contributed to Bac Qua Service And Trading Joint Stock Company.

Network operation and management: The Company made strong efforts to enhance customer acquisition through various measures, resulting in increased revenue and achieving an occupancy rate of 93.2% by year-end.

The Company's Distribution and Wholesale Operations in 2024: The Company focused on promoting the distribution of cooking oil, Bibica confectionery and Thuan Phat paper products. Business operations were successfully carried out in accordance with the established plan.

2. Financial Situation:

2.1. Assets situation:

In 2024, the Company disposed of three automobiles due to obsolescence and lack of usage demand. The original cost was VND 1.317 billion, with a net book value of VND 0 and a recovery value of VND 220 million. Additionally, the Company increased its fixed assets by acquiring a fire protection system at 51 Le Dai Hanh Building with an original cost of VND 515 million.

2.2. Liabilities situation:

Current liabilities: As of December 31, 2024, the Company's accounts payable increased by 80% compared to the beginning of the period, primarily due to an increase in financial borrowings to support business operations.

3. Improvements in management structure:

In 2024, the Company maintained a streamlined and stable organizational structure with clearly defined functions and responsibilities, operating efficiently.

4. Development Plan - Key tasks in 2025:

a) Economic indicators:

- Revenue in 2025: VND 47.61 billion, in which:
 - + Revenue from Real Estate Operations: 35.28 billion dong
 - + Revenue from Wholesale Activities: 7.45 billion dong
 - + Service revenue: 4.88 billion dong

b) Solutions to implement the 2025 production and business plan

The Company's core activities are asset management and utilization and wholesale business operations.

** For the operation and management of network locations:*

- Focus its resources on optimizing the management and utilization of assets and operational network locations. Continue to seek customers for leasing and business cooperation for vacant locations in alignment with the strategic orientation and management requirements of the Group/Corporation.
- Continue to re-plan the entire network locations of the Company to suit the characteristics and actual situation, complete the legal documents of some land plots to improve the efficiency of exploiting network locations.
- Closely coordinate with the competent authority in monitoring the State's policy in renewing house lease contracts with the State to carry out procedures as required.

** For wholesale activities:*

- The Company will closely monitor market developments to effectively carry out the distribution of cooking oil, a traditional product that has been part of its business operations for many years. However, the risk is high.
- Continue to distribute Bibica confectionery products; Thuan Phat Paper.
- Research the market, seek new business opportunities to ensure economic efficiency.

** Some other contents:*

- The company strengthens close monitoring of all activities to avoid the occurrence of bad debts.
- Implement cost-saving measures, prevent waste, and optimize resource utilization to reduce expenses and enhance the Company's operational efficiency.
- Closely monitor the implementation of work and project-related content of Bac Qua Company and Lang Yen Company.

5. Board of Management's Explanation on the Auditor's Opinion (if any):

For the outstanding payable of Bac Qua Service And Trading Joint Stock Company (a subsidiary of the Company) to DELTA Civil and Industrial Construction Co., Ltd., the Company continues to record the liability based on the figures reconciled and confirmed by both parties as of December 31, 2017. This is due to the fact that, during the years 2018, 2019, 2020, 2021, and 2022, no accounting transactions related to this

liability were recorded in the books of Bac Qua Service and Trading Joint Stock Company. As of December 31, 2024, the two parties have not yet reconfirmed the outstanding balance.

6. Assessment report related to the Company's environmental and social responsibility:

- a) Assessment related to environmental indicators: The company consumes water and energy economically, with no emissions or discharges into the environment.
- b) Assessment related to labor issues: The company always cares about improving the material and spiritual life of employees, ensuring jobs and income for employees.
- c) Assessment related to corporate responsibility to the community: The company fulfills its corporate responsibility to the community.

IV. EVALUATION OF THE BOARD OF DIRECTORS ON THE COMPANY'S OPERATION

1. Evaluation of the Board of Directors on the company's operation

In 2024, the Board of Directors of the Company will operate actively and consistently in directing and proactively working with the Board of Directors in managing all activities of the Company to implement the Production and Business Plan approved by the General Meeting of Shareholders.

- The revenue and other income targets in 2024, is VND 85.88 billion, reaching 75.1% of the plan.

- Pre-tax profit: In 2024, the loss is VND (10.8) billion. The loss was primarily attributable to the company's provision for financial investments and doubtful receivables.

The Board of Directors of the Company has held meetings or consulted the Board of Directors' members in writing on work contents based on the Company's proposals to approve and issue Resolutions and Decisions to promptly direct the Company to implement work, ensuring good performance of assigned tasks. In 2024, the Board of Directors approved and issued a total of 13 Resolutions.

The company performs well on issues related to environmental and social responsibility.

2. Board of Directors' assessment on the performance of the Company's Board of Management:

In line with the 2024 production and business plan approved by the General Meeting of Shareholders, the Board of Directors has promptly directed, supervised and urged the activities of the Company's Executive Board in implementing production and business activities based on the set goals and plans. In 2024, the Company's Executive Board has well implemented the policies of the Board of Directors by seriously implementing the work in accordance with the Resolution/Decision approved by the Board of Directors. At the same time, the Executive Board has also been proactive and flexible in management so that the Company's operations are consistent with the actual situation of the Company and the general developments of the market.

3. Plan and orientation of the Company's Board of Directors:

In 2025, the Company's Board of Directors will focus on directing the Company to implement the following basic tasks:

- Approve and direct the implementation of the Company's 2025 production and business plan approved by the Company's General Meeting of Shareholders in a timely and effective manner.
- Correctly perform the functions, duties and powers of the Board of Directors, Board of Supervisors and Board of Management as stipulated in the Company Charter. Improve the management capacity of members, assign tasks and check and urge members to perform their tasks.
- Further strengthen business management and administration. Focus on applying information technology to practical business operations.
- Well implement the Resolutions assigned by the General Meeting of Shareholders.
- Direct the Executive Board to seriously implement the resolutions and decisions of the Board of Directors and the General Meeting of Shareholders.
- To maintain stability and develop the Company's operations, the Board of Directors continues to monitor and promptly direct the implementation of tasks by the Executive Board and the Company's management team in all areas such as business operations, finance, human resources, construction investment, and exploitation of business locations.
- Continue to re-plan the entire network of locations of the Company to suit the characteristics and actual situation, complete the legal documents of some land plots to improve the efficiency of exploiting the network of locations.
- Continue to implement investment projects, invest in subsidiaries to further promote investment efficiency; ensure compliance with legal regulations in investment and procurement to avoid waste and loss of capital when implementing investment projects.

VI. THE 2024 AUDITED CONSOLIDATED FINANCIAL STATEMENTS

1. Opinion of the auditor

1.1. Basis of qualified opinions

Through reviewing the financial statements for the fiscal year ending December 31, 2024 of Bac Qua Service And Trading Joint Stock Company (a subsidiary of the Company), we could not determine the existence and completeness of the amounts payable to DELTA Civil and Industrial Construction Co., Ltd., including the payables to the seller with a value of VND 9,773,253,570 and the long-term payable expenses of late payment interest with an amount of VND 8,919,671,660 due to not being able to collect sufficient appropriate audit evidence. Therefore, we are unable to determine the impact (if any) of the above matter on the relevant indicators presented in the Company's Consolidated Financial Statements.

1.2. Qualified opinion:

In our opinion, except for the effects of the matter described in the “Basis for qualified audit opinion” paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of Hanoi Foodstuff Joint Stock Company as at December 31, 2024, as well as the consolidated results of its operations and its consolidated cash flows for the year then ended in accordance with Vietnamese Accounting Standards, the Vietnamese Accounting System and the relevant statutory requirements applicable to the preparation and presentation of consolidated financial statements.

2. 2024 Audited Financial Statements: Attached is the 2024 audited Financial Statement, which has been submitted to the Hanoi Stock Exchange and disclosed in accordance with applicable regulations

CONFIRMATION OF LEGAL REPRESENTATIVE OF THE COMPANY
