Saigon Water Infrastructure Corporation provides an explanation for the discrepancy in the business operating results in the 2024 audited separate financial statements compared to the same period last year as follows:

In 2024, the after-tax profit is 635,897,105,387 Dong, reflecting an increase of 669,898,625,189 Dong, compared to 2023 (where the after-tax profit was a loss of 34,001,519,802 Dong). This increase is primarily attributed to the Company recognizing financial revenue from the transfer of its associated company, Tan Hiep Water Investment JSC.

We hereby commit that the explanations provided above accurately reflect the operational activities of the Company.

Sincerely reported!
