First of all, Vinafco Joint Stock Company (VFC) would like to extend our sincere thanks and best regards to the State Securities Commission (SSC) and the Hanoi Stock Exchange (HNX).

In the separate financial statements for Q1 2025, the Net profit after tax of VFC decreased by VND 19.97 billion compared to the same period last year. The Company hereby provides the following explanation for the main reasons:

- Gross profit from business operations decreased compared to the same period last year due to a decline in profitability within the transportation services sector and warehousing services sector.
- Financial income decreased compared to the same period last year, primarily due to a reduction in dividend income and profit distribution from subsidiaries.

This explanation is provided to help the regulatory authorities and investors gain a clearer understanding of the Company's business performance.

Thank you very much!

Recipients:

- As stated above;
