STATEMENT OF THE BOARD OF MANAGEMENT'S RESPONSIBILITY IN RESPECT OF THE INTERIM FINANCIAL STATEMENTS

The Board of Management is responsible for the Interim Financial Statements which give a true and fair view of the financial position of the Company, its operating results and its cash flows for the period. In preparing those Interim Financial Statements, the Board of Management is required to:

- Establish and maintain an internal control system which is determined necessary by The Board of Management and Board of Directors to ensure the preparation and presentation of Interim Financial Statements do not contain any material misstatement caused by errors or frauds;
- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Interim Financial Statements;
- Prepare the Interim Financial Statements on the basis of compliance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of Financial Statements;
- Prepare the Interim Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Board of Management is responsible for ensuring that accounting records are kept to reflect the financial position of the Company, with reasonable accuracy at anytime and to ensure that the Interim Financial Statements comply with the current State's regulations. It is responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board of Management confirms that the Interim Financial Statements give a true and fair view of the financial position at 30 June 2025, its operation results and cash flows for the period from 01 January 2025 to 30 June 2025 of the Company in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of the Interim Financial Statements.

REVIEW REPORT ON INTERIM FINANCIAL INFORMATION

To: Shareholders, Board of Directors and Board of Management
Vinacap Kim Long Joint Stock Company

We have reviewed the Interim Financial Statements of Vinacap Kim Long Joint Stock Company prepared on 30 July 2025, from page 05 to page 34 including: Interim Statement of Financial position as at 30 June 2025, Interim Statement of Income, Interim Statement of Cash flows and Notes To Interim Financial Statements for the period from 01 January 2025 to 30 June 2025.

The Board of Management's responsibility

The Board of Management is responsible for the preparation of Interim Financial Statements that give a true and fair view in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of Interim Financial Statements and for such internal control as management determines is necessary to enable the preparation of Interim Financial Statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on these Interim Financial Statements based on our review. We conducted our review in accordance with Vietnamese Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Interim Financial Statements does not give a true and fair view, in all material respects, of the financial position of Vinacap Kim Long Joint Stock Company as at 30 June 2025, its financial performance and its cash flows for the six-month period then ended in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and the statutory requirements relevant to the preparation and presentation of Interim Financial statements.

The Company's operation during the accounting period that affects the Interim Financial Statements

The Company is one of the leading units in the production of cables (including optical cables and electric cables) and electrical equipment, developing terminal devices for telecommunications networks, optical fibers serving the process of digitizing telecommunications networks and Internet infrastructure. During the period, the Company completed its signed orders and contracts and actively expanded the market, which resulted in an increase in both the sales volume and the selling prices of the Company's products, leading to a significant grow in revenue for the reporting period. Meanwhile, selling expenses and general and administrative expenses remained stable with minimal fluctuations. These factors collectively contributed to a substantial increase in after-tax profit compared to the same period last year.

Corporate structure

The Company has one affiliated unit, Vinacap Telecommunications and Electronics Joint Stock Company – Hanoi Branch, whose primary business activity is commercial trading.

2 . ACCOUNTING SYSTEM AND ACCOUNTING POLICY

2.1 . Accounting period and accounting currency

Annual accounting period commences from 01 January and ends as at 31 December.

The Company maintains its accounting records in VND.

2.2 . Standards and Applicable Accounting Policies

Applicable Accounting Policies

The Company applies Corporate Accounting System issued under the Circular No. 200/2014/TT-BTC dated 22 December 2014 by the Ministry of Finance and the Circular No. 53/2016/TT-BTC dated 21 March 2016 issued by Ministry of Finance amending and supplementing some articles of the Circular No. 200/2014/TT-BTC.

Declaration of compliance with Accounting Standards and Accounting System

The Company applies Vietnamese Accounting Standards and supplementary documents issued by the State. Financial Statements are prepared and presented in accordance with regulations of each standard and supplementary document as well as with current Accounting Standards and Accounting System.

2.3 . Basis for preparation of the Interim Financial Statements

Interim Financial Statements are presented based on historical cost principle.

Interim Financial Statements of the Company are prepared based on summarization of transactions incurred, then recorded into accounting books of dependent accounting entities and at the offices of the Company.

In the Company's Interim Financial Statements, all internal transactions and balances related to assets, capital sources, internal receivables and payables have been entirely eliminated.

2.4 . Basis for preparation of Chairman

The preparation of Interim Financial Statements in conformity with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and legal regulations relating to financial reporting requires the Board of Management to make estimates and assumptions that affect the reported amounts of liabilities, assets and disclosures of contingent liabilities and assets at the date of the financial statements and the reported amounts of revenues and expenses during the fiscal period.

The estimates and assumptions that have a material impact in the Interim Financial Statements include:

- Provision for bad debts;
- Provision for devaluation of inventory;
- Provision for payables;
- Estimated allocation of prepaid expenses;
- Estimated useful life of fixed assets;
- Classification and provision of financial investments;
- Estimated income tax.

Such estimates and assumptions are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are assessed by the Board of Management to be reasonable under the circumstances.

2.5 . Financial Instruments

Initial recognition

Financial assets

Financial assets of the Company include cash, cash equivalents, trade receivables, other receivables, lending loans, long-term and short-term investments. At initial recognition, financial assets are identified by purchasing price/issuing cost plus other expenses directly related to the purchase and issuance of those assets.

Financial liabilities

Financial liabilities of the Company include borrowings, trade payables, other payables and accrued expenses. At initial recognition, financial liabilities are determined by issuing price plus other expenses directly related to the issuance of those liabilities.

Subsequent measurement after initial recognition

Financial assets and financial liabilities are not revalued according to fair value at the end of the period because the Circular No.210/2009/TT-BTC and prevailing statutory regulations require to present Interim Financial Statements and Notes to financial instruments but not provide any relevant instruction for assessment and recognition of fair value of financial assets and financial liabilities.

2.6 . Foreign currency transactions

Foreign currency transactions during the year are translated into Vietnam Dong using the actual rate at transaction date.

Real exchange rate when revaluating monetary items denominated in foreign currencies at the reporting date of the Financial Statements is determined on the following principles:

- For asset accounts, applying the bid rate of the commercial bank where the Company regularly conducts transaction;
- For foreign currency deposited in bank, applying the bid rate of the bank where the Company opens its foreign currency accounts;
- For liability accounts, applying the offer rate of the commercial bank where the Company regularly conducts transaction.

All exchange differences arising as a result of transactions or revaluation at the balance sheet date shall be recorded into the financial income or expense in the period.

2.7 . Cash

The Company's financial risks including market risk, credit risk and liquidity risk. The Company has developed its control system to ensure the reasonable balance between cost of incurred risks and cost of risk management. The Board of Management of the Company is responsible for monitoring the risk management process to ensure the appropriate balance between risk and risk control.

Market risk

The Company's business operations will bear the risks of changes on prices, exchange rates and interest rates.

Exchange rate risk

The Company bears exchange rate risk when transactions are made in currencies other than Vietnam Dong such as: loans, revenues, expenses, imports of supplies, goods, machinery and equipment, ...

Interest rate risk

The Company bears the risk of interest rates due to the fluctuation in fair value of future cash flow of a financial instrument in line with changes in market interest rates if the Company has time or demand deposits, borrowings and debts subject to floating interest rates. The Company manages interest rate risk by analyzing the market competition situation to obtain interest beneficial for its operation purpose.

Credit Risk

Credit risk is the risk of financial loss to the Company if a counterparty fails to perform its contractual obligations. The Company has credit risk from operating activities (mainly to trade receivables) and financial activities (including deposits, loans and other financial instruments), detailed as follows:

	Under 1 year VND	From 1 to 5 years VND	From more 5 years VND	Total VND
