Hai Phong, August 12th 2025

To: - **The State Securities Commission**
- **Hanoi Stock Exchange**

Hai Phong Construction Joint Stock Corporation No.3 (HC3) would like to extend our most respectful greetings to State Securities Commission and Hanoi Stock Exchange.

Pursuant to the Circular No. 96/2020/ TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

According to the Interim financial report for 2025 and the Interim financial report for 2024 of the parent company, the profit after tax of Hai Phong Construction Joint Stock Corporation No.3 is as follows:

Content	Interim financial report
Profit after tax for the first half of 2025	11.683.071.792 đ
Profit after tax for the first half of 2024	23.911.846.532 đ

Main reasons for the profit discrepancy in the interim financial statements for 2025 compared to 2024:

- + Profit from service business and construction activities decreased.
- + Due to the impact of the trade war, the stock market experienced strong volatility; therefore, the company made financial provision, resulting in a decline in profit from financial investment activities.

By this document, our Company would like to explain to the State Securities Commission and Hanoi Stock Exchange about the change in after-tax profit in the Interim financial report for 2025 and the Interim financial report for 2024 of the Parent Company.

Yours faithfully,

**HAI PHONG CONSTRUCTION JOINT
STOCK CORP NO.3**
